# SUSTAINABLE BITES

**DON'T WASTE. DONATE!**

**This project tackles the challenge head-on by proposing a comprehensive solution that optimizes the collection and redistribution of surplus food from various sources to those in need.**

*A step towards a Responsible Consumption and Zero Hunger*

Leftover food distribution management is a pressing global concern.

**YOUR DONATION WILL  
IMMEDIATELY BE  
COLLECTED AND SEND  
TO NEEDY PEOPLE**
